By requesting a Trial License for Active Sky Next, you agree that you may only use a single Trial License per user/computer. An active online internet connection is required to use a Trial License. After 7 days of trial, the software will not function without purchasing a valid Active Sky Next license. Please make sure you use a valid e-mail address. Entering an incorrect address will result in failure of the trial key to be sent to you, and you will not be able to request a new trial key. Trial licenses are bound to the computer making the trial license request, and may not be moved or installed on another computer. Trial license are also bound to your IP address. Any change in IP address will result in the trial license de-activating. To use the trial during the full 7-day period, please ensure that you do not unplug your
